

# Promises, Promises

President-elect Donald Trump, in his own words, on what he plans to do starting on Jan. 20

"We are going to fix our inner cities and rebuild our highways, bridges, tunnels, airports, schools, hospitals. We're going to rebuild our infrastructure, which will become, by the way, second to none. And we will put millions of our people to work as we rebuild it." —Nov. 8, 2016

"I will also cancel all wasteful climate change spending from Obama-Clinton, including all global warming payments to the United Nations." —Oct. 26, 2016

"I will direct my secretary of the Treasury to label China a currency manipulator." —Oct. 22, 2016

"I will lift the restrictions on the production of \$50 trillion worth of job-producing American energy reserves." —Oct. 22, 2016

"If I win, I am going to instruct my attorney general to get a special prosecutor to look into your [Clinton's] situation." —Oct. 9, 2016

"When that [Ford] car comes back across the border that now comes in free, we're gonna charge them a 35 percent tax." —Sept. 15, 2016

"We are going to eliminate every unconstitutional executive order and restore the rule of law to our land." —Sept. 6, 2016

"I am also going to notify all countries that refuse to take back dangerous illegal immigrants who have committed crimes in this country that they will lose access to our visa programs if they continue to do so." —Sept. 6, 2016

"We are going to triple the number

of ICE deportation officers." —Aug. 31, 2016

"My administration will aggressively pursue joint and coalition military operations to crush and destroy ISIS, international cooperation to cut off their funding, expanded intelligence sharing, and cyberwarfare to disrupt and disable their propaganda and recruiting." —Aug. 15, 2016

"I am proposing an across-the-board income tax reduction, especially for middle-income Americans." —Aug. 8, 2016

"One of my first acts as president will be to repeal and replace disastrous Obamacare, saving another 2 million American jobs." —Aug. 8, 2016

"I'm going to tell our Nafta partners that I intend to

immediately renegotiate the terms of that agreement to get a better deal for our workers." —June 28, 2016

"Bilateral talks with Mexico would start pretty quickly on the wall." —May 4, 2016

"We will move the American Embassy to the eternal capital of the Jewish people, Jerusalem." —March 21, 2016

"Guantanamo Bay—which, by the way, we are keeping open! And we're going to load it up with some bad dudes. We're going to load it up." —Feb. 23, 2016

"Common Core is gone." —Feb. 20, 2016

"I'm going to make our military so big, so powerful, so strong that nobody, absolutely nobody, is going to mess with us." —Jan. 24, 2016

"We're going to get Apple to start building their damn computers and things in this country instead of in other countries." —Jan. 18, 2016

"I will get rid of gun-free zones on schools and... on military bases." —Jan. 7, 2016

"Our great veterans are being treated very badly because of corruption and incompetence at the

VA. That will stop. I will fix this quickly!" —Dec. 25, 2015

"One of the first things I'd do in terms of executive order... will be to sign a strong, strong statement that would go out to the country, out to the world, anybody killing a policeman, a policewoman, a police officer, anybody killing a police officer, the death penalty is going to happen." —Dec. 10, 2015

"I will absolutely take database on the people coming in from Syria.... If I win, they're going back. They're going back. We can't have them." —Nov. 21, 2015

"I will renegotiate with Iran—right after I enable the immediate release of our American prisoners and ask Congress to impose new sanctions that stop Iran from having the ability to sponsor terrorism around the world. In fact, if I am elected, I am sure the prisoners will be released before my taking office." —Sept. 8, 2015

"I'll bring back our jobs from China, from Mexico, from Japan, from so many places. I'll bring back our jobs, and I'll bring back our money." —June 16, 2015, the day Trump announced his presidential run
